Erasmus+ project, E29

ORIGIN OF THE IDEA

This type of project can give us opportunities to connect with other people and their culture on a deeper level.

Every day we had plenty of tasks that gave us safe space to talk about cultural and social problems and their differences between our countries.

Every night we had culture nights where we showed a little bit from our own culture, for example habits and food.

Unexpected cultural habits...

Every night we had task to give a little gift to secret friend and secret gossip box, It was creative soace for opinions or compliments.

EXAMPLE:

Somebody wrote -5 aura points from Czechs because of our Easter unexpected habit.

Inspiration and creativity

Participants can also join as an cooperators or leaders for the main sessions or daily activities. It's the perfect place to improve our leadership skills and get used to talking in front of the people.
