Youth exchange

March 4- 13

Cegled - Hungary

# Day 1

We kicked off this youth exchange

By playing get to know each other games, also by setting and sharing hopes to make this experience unforgettable.

# Day 2

Another day full of energy, we played more games to connect, deep talks on inclusion and diversity – plus dive into Youthpass and key competences, growing together every step.

# Day 3

During the day we brought awareness to discrimination through theater , sharing powerful performances reflecting real challenges in our countries . It was creative and eye – opening experience.

# Day 4

It was another inspiring day engaging debates about diversity and inclusion and diversity, plus we did some outdoor activities under sun, learning , sharing, and growing together.

# Day 5

We stepped in the world of visual impairment with empathy, followed by inclusive sports for us breaking barriers through experience.

# Day 6

Day was about diving deep in human rights , having meaningful conversations on discrimination across other cultures, plus we did reflections on youthpass and learning outcomes.

# Day 7

We explored inclusion beyond walls through “Crazy 30 challenge”, all of us went the city to meet locals and hear real stories, which helped to connect world around us.

# Day 8

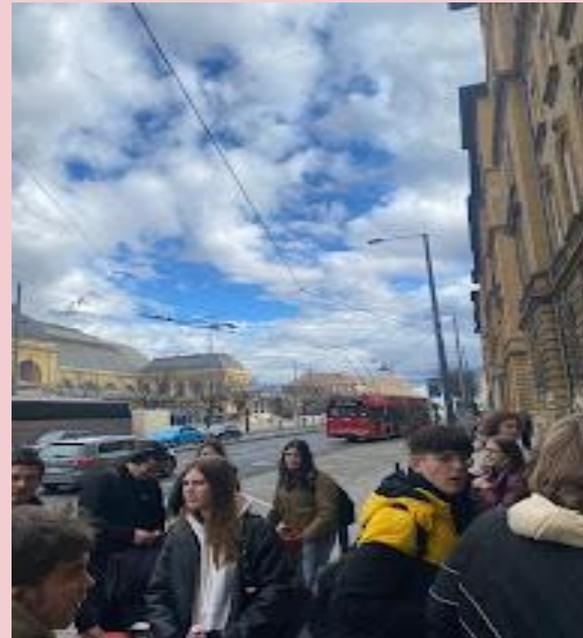

Day was full of reflection , sharing beautiful messages , and revealing our secret friends, I im so grateful for the connections, memories , and the things we learned together.

# Day 9

Last day of the project we watched the video off all captured moments, before departure we sang riptide song with tears , and headed to Budapest from there went on different paths.
